Brown ..... 301  
Chambers ..... 400  
Zewadski ..... 240

## FOR LEGISLATURE

Bullock ..... 418  
Floyd ..... 353  
Mathews ..... 392  
Strozier ..... 549

The combined senatorial vote of Marion and Sumter counties are: Brown, 444; Chambers, 646; Zewadski, 252. It is understood that some of Brown's heavy precincts are not yet in.

It will take another day or two to get final returns to settle the vexed question.

## ALLRED STRICTLY IN IT

A dispatch received by Mr. Neil M. Allred at 2:45 this afternoon from Hernando county gives Allred 228, Carter 52; Hocker 178 and Wall 98 and only two precincts to hear from.

The news from Alachua county is equally cheering.

Summerfield: State senate, Brown 7, Chambers 13, Zewadski 7; legislature, Bullock 11, Floyd 10, Mathews 11, Strozier 20.

It is very evident that all the members of the board of county commissioners are re-elected.

## FROM TAMPA TRIBUNE

Up to 4:30 this morning the returns nominate Wells and McNamée for the legislature and Ex-Gov. Mitchell county treasurer, while Phillips leads Turmon for district attorney. The old board of county commissioners are re-elected.

For supreme court, Judge Wall, in his home county received 1320 votes and Hocker 792. This is official from 19 precincts in a total of 32.

Key West gave Wall 570 to Hocker's 32.

## LAMAR

For Congress in the third district, is way in the lead over his competitors, Myers and Beard. Good for Lamar.

The Jacksonville election is very close. At 4 a. m. Tom Stockton was slightly ahead of his brother in the senatorial race and it will take official returns to decide the contest.

At home it looks as if Chambers would poll more votes than Brown and Zewadski combined.

Moss Bluff: Senate, Brown 7, Chambers 11, Zewadski 3; legislature, Bullock 10, Floyd 9, Mathews 6 and Strozier 18.

Mr. Jno. B. Floyd returned home this afternoon, but Mr. Chambers remained over to get the full returns.

(Concluded on Third Page.)

The powder puff may help to hide the ravages of time but it avails little to hide the ravages of disease. When the face is disfigured by eruptions, the treatment must go below the surface to the blood, which is corrupt and impure.

Dr. Pierce's Golden Medical Discovery cures disfiguring eruptions which are caused by impure blood. It cures scrofulous sores, erysipelas, boils, pimples, eczema, salt-rheum and other eruptive diseases which impure blood breeds and feeds.

"I was troubled with eczema from the crown of my head to the soles of my feet," writes Mrs. Ella Quick, of Cass City, Tuscola Co., Mich. "Could not walk at times nor wear my shoes. Thought there was no help for me—at least the doctor said there was none. I went to see friends at Christmas time and there heard of the good that Dr. Pierce's Golden Medical Discovery had done for them, and was advised to try it at once. For fear that I might neglect it my friend sent to the village and got a bottle and made me promise that I would take it. I had been getting worse all the time. I took thirteen bottles of the 'Golden Medical Discovery' and ten vials of Dr. Pierce's Pleasant Pellets, and used 'Anti-Healing Salve,' which made a complete cure. It was slow, but sure. I was taking the medicine about eight months."

"I would say to all who read this: try Dr. Pierce's Golden Medical Discovery before wasting time and money."

The sole motive for substitution is to permit the dealer to make the little more profit paid by the sale of less meritorious medicines. He gains; you lose. Therefore accept no substitute for "Golden Medical Discovery."

Dr. Pierce's Pellets cleanse the clogged system from accumulated impurities.

## GRAFTER GATES

A letter from Anthony, Fla., to the Morning News says that J. L. O. Gates, who is in jail here for robbing bathing houses at Tybee and who has claimed to come from Ocala, is well known in Anthony where his home is, and that he has been committing all sorts of depredations there ever since his childhood. The letter also says that Gates had to leave Anthony in 1898, as a warrant was issued in December of that year charging him with burglarizing the drugstore of Dr. D. A. Smith and stealing a gold watch.—Savannah News, July 16.

## MOTHER ALWAYS KEEPS IT HANDY

"My mother suffered a long time from distressing pains and general ill health, due primarily to indigestion," says L. W. Spalding, Verona, Mo. "Two years ago I got her to try Kodol. She grew better at once and now, at the age of seventy-six, eats anything she wants, remarking that she fears no bad effects, as she has her bottle of Kodol handy." Don't waste time doctoring symptoms. Go after the cause. If your stomach is sound, your health will be good. Kodol rests the stomach and strengthens the body by digesting your food. It is nature's own tonic. Anti-Monopoly Drugstore.
